Fluency/Reading a Decodable Book

Core Decodable 76: The Opossum at Night

Phonics Focus: /ɪ/ Spelled _igh

High-Frequency Words

Review the high-frequency word sleep that students learned in Blending by writing it on the board, spelling the word, and having students say the word. Have a volunteer use the word in a sentence. Review other high-frequency words by pointing to them in the High-Frequency Word Bank and having students read them.

Reading the Decodable

✦ Follow Routine 9, reading a Decodable, as you read the story with students.

✦ Have students read the title, browse the story, and discuss what they think the story will be about.

✦ The first time through, have students read a page silently. Then have one student read it aloud. Repeat this procedure for each page.

✦ Reread the story at least twice, calling on various students to read. Then have the entire class do a choral reading of the story.

Responding

✦ After reading, be sure to talk about the story and answer any questions students have. Ask students to identify any difficult words in the book.

✦ Have students retell the story.
